Messrs. James Purdey & Sons Ltd. have the pleasure to announce that Mr. Lawrence Salter, their Managing Director, will be paying a visit to Dallas, Texas, from Friday 12th October 1973 to Monday 29th October 1973. He will be accompanied by Mr. Robin Nathan, from our Front Shop, and will have with him examples of our latest Side-by-Side and Over and Under guns. He will also have the necessary equipment for measuring and fitting customers.

During his stay in Dallas he will be at the Nieman-Marcus store.

On Thursday 18th October he will be joined by his uncle, Mr. Harry Lawrence, a Director of James Purdey and, as you know, the Managing Director for many years before.

On Monday 29th October all three representatives will leave Texas for New York, where they will stay until Sunday 4th November, and they can be contacted in the Gun Department of Messrs. Abercrombie & Fitch, Madison Avenue.

You will be aware that this is the first visit paid to the United States by James Purdey & Sons since 1970. We have now overcome the difficulties experienced over the past three years and are in a position to offer definite delivery dates which we are confident we can now maintain. This has been due to our ability to expand our factory staff through the increased training of apprentices.

Thank you for your telephone call of last week with regard to the stock measurements we require for your new gun.

We are very sorry to have bothered you for these measurements and as you suggested, we have been in contact with the Shooting Grounds, who have now sent them through to us.

The estimated time for the completion of your gun as ordered will be during next summer. However, if you would consider having the gun finished with the standard fine engraving, then we estimate that it would be completed at the end of February.

We look forward to your reply with regard to this matter.

Yours sincerely,

If you are not coming to England in the near future, may we suggest that you go to Messrs. Abercrombie & Fitch Co whose Head Office is Madison Avenue at 45th Street, New York but we believe that they have a branch in San Francisco.

Awaiting your early reply and assuring you of our best care and personal attention at all times.
