Dear Mr. Shepherd:

This letter is in reference to your request for historical information on Colt Single Action Army Revolver, serial number 354912.

We regret that we cannot locate any shipping information on this revolver. Our production book indicates that this revolver was manufactured on January 18, 1934 and sent to the shipping room on January 24, 1934. Unfortunately, the ledger containing the shipping records on Single Actions during the time period of 1933 to 1944 was lost or destroyed some years ago. Therefore, we are unable to provide you with details pertaining to the configuration and shipment of this revolver.

As we cannot provide you with research services or documentation on this firearm, there will be no charge for this request.

Thank you for contacting us and we regret that we could not be of more assistance to you in this instance.

Sincerely,

Susan Glazier
